

**What: Saturday Training Offering; Topics to Be Offered**

Safety

Fire Extinguisher Training

Rescue Apparatus Familiarization

**When: Saturday May 27, 2023**

(Refreshments Provided)

**Where: Lake Jericho Fire Station**

**531 Lake Jericho Road**

**Smithfield, Kentucky 40068**

This 1-day training will provide as an opportunity for not only our active membership but others to obtain on-going and for some initial training in basic training of Safety, Fire extinguishers as well as an opportunity to see and familiarize with the Rescue apparatus. This is great way to not only receiving on-going training but needed last minute training hours for the year.

**If interested in attending or have further questions please contact our training officer at [training@lakejerichofire.org](mailto:training@lakejerichofire.org) if interested in attending.**
